THE SERIES

Voted by *the New York Times* as one of the **Best International Series of the decade** and the winner of 12 Israeli Academy Awards. The much anticipated season 3 is set to premiere globally on Netflix mid April 2020.

The Netflix Original action thriller "Fauda" (Arabic for 'Chaos') is a groundbreaking global phenomenon. Based on the real-life experience of its creators, the series follows a team of elite Israeli undercover agents as they work to apprehend Hamas activists in the West Bank. With down-and-dirty credibility, authentic performances, and a mixture of emotional extremity with speedy, nonchalant storytelling, "Fauda" portrays the complex Palestinian-Israeli conflict in a new light, opening a window into the Middle East and sparking meaningful dialogue about cultural identity.
